ERASMUS+

This course is of significant benefit to non-native teachers:

- who need to enhance their own English language skills
- who wish to share ideas on best practice methodologies with colleagues from across Europe thereby improving the overall approach to social integration through the PE Department in their schools and, as a result, the overall school experience for their students.

Objectives

- To develop the English language skills of participants in order to improve their ability to communicate on sporting and social integration issues
- To increase confidence in attending and contributing to international conferences and training sessions where the main language is English in the area of PE and its importance for education in general.
- To explore current thinking on the physical and mental aspects of preparation for competitive sporting activities including strategies for helping to reduce pre-competition stress for young participants
- To consider and share experiences on ways in which PE departments can help in supporting confidence-building and social interaction across a school
- To promote awareness of contemporary Ireland
- To establish contacts between teachers from a variety of European backgrounds and facilitate future networking among these professionals.
