# Link School of Languages Ltd

**LINK SCHOOL OF ENGLISH** has two annexes in Swieqi. The recent annexe in Swieqi is 5 minutes away from the main school, which reveals a clean contemporary look with lots to offer to every student. It is strategically situated a few metres away from several popular entertainment facilities in St. Julian's including a sandy beach (Blue Flag certified), shopping centre, cinema, bowling alley and gymnasium. Built over an area of 1000sq metres, the new annexe includes brightly lit, spacious and fully air-conditioned classrooms and a vast outdoor area, with large terraces surrounded by a huge garden.

Established since 1992, Link School of English is accredited by FELTOM, offering all aspects of linguistic stays including high quality education and a vast choice of accommodation. Students may choose to stay at one of our self catering residences, self catering apartments and hotels or at our hospitable host families. All our accommodation options are in walking distance from both annexes. We also offer exciting leisure programmes as well as airport transfers.

**LINK SCHOOL OF ENGLISH** prides itself in giving individual attention to each and every student. Our Company policy is one of enthusiasm and dedication, offering value-added benefits to satisfy students' needs and demands. 2012 saw the upgrading of the main building to becoming fully accessible to disabled students as well as an investment in innovative technological tools for language learning. Link School of English was also awarded the NCPE Equality Mark.

**LINK SCHOOL OF ENGLISH** has been successfully offering Erasmus + courses for the past 6 years. Students from all over Europe through European Funding attend our courses and have always given positive feedback.

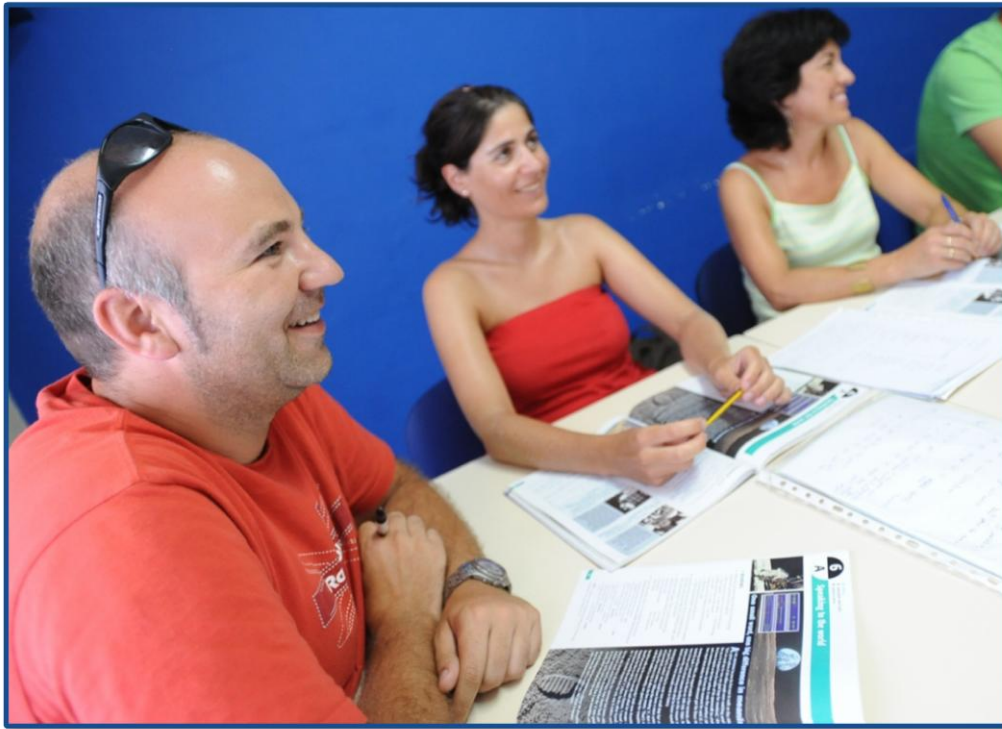

All our teachers are experienced and qualified to international standards: B. Educ, Cambridge CELTA and DELTA, Trinity College TESOL, LCCI and other reputable TEFL

qualifications. They use the latest teaching methods, emphasising on communicative skills and the most effective learning strategies.
