**YEARS OF TEACHING
ENGLISH IN ENGLAND**

Learning the Anglo-Continental way

Our English language programmes have been developed over 70 years, with the emphasis on our students' individual requirements:

- Short-term and long-term courses to meet every need, including internationally recognised examinations
- Diagnostic entry testing for accurate placement
- Friendly, qualified and experienced teachers to help you with every aspect of your studies
- Tuition at all levels from Beginner to Advanced
- Modern techniques and real-life practice to build your confidence and help you to learn more easily
- Individual consultation with your personal teacher
- Special guidance and advice for academic study programme students and for university entry

Our Teachers

Having a recognised diploma-level qualification in teaching English to speakers of other languages is a requirement for our year-round teachers. In addition to this, they will also have extensive teaching experience in a variety of professional areas. It is a minimum requirement that teachers have a recognised English language teaching qualification i.e Cambridge CELTA, Trinity College TESOL Certificate or equivalent. Teachers are also expected to have a degree level qualification.

Within our established long-term team, a number of teachers have Masters level qualifications, others have qualified teacher status (QTS) and some have specialist subject qualifications. Many of these teachers have positions of responsibility according to their areas of expertise.

General English Programme

Our Intensive courses have been developed over many years of teaching experience. Innovative and communicative teaching methods are used and form the basis of our teaching. Our General English Programme offers a choice of courses for everyone who needs an improved level of English for academic, social or professional reasons.

Your choice of courses

When you enrol, you can select the number of lessons per week which suits you best, and the course duration which meets your needs. You can be sure that, whether you are a complete beginner, or whether you already have a good understanding of the language, there will be a class suitable for you.

Your class

You will study in a lively international atmosphere with others whose levels of English are similar to your own. You will be taught by a team of two or three teachers, who encourage participation and interaction between members of the group - and English is the only language you will use!

Your lessons

Your lessons will be interesting and effective, with a variety of activities to develop your confidence, knowledge and skills:

- presentation and practice of new language
- rapid development of oral fluency, accuracy and conversation skills
- efficient development of listening, reading and writing skills
- extension of vocabulary, structure and usage

If you follow a course of 25 lessons per week, you will have the additional benefit of language extension activities. If you follow a course of 30 lessons per week, you will have the benefit of language extension activities and the English for Success Programme.

Outside your scheduled timetable, you will be able to use the multi-media learning centre, with computers, internet access, DVDs, reference books/materials and private study facilities.

Excursion to London

Examination Programme

At Anglo-Continental, we have a long successful history in preparing our students for English language examinations, which are widely accepted in academic and commercial circles throughout the world. We provide courses in preparation for highly regarded examinations such as the International English Language Testing System (IELTS) and the University of Cambridge First Certificate (FCE).

Courses are designed to develop the necessary skills relevant to the particular examination and to present and practise language appropriate to the students' needs. Timed practice tests provide an idea of what it is like to work under pressure during a real examination.

IELTS Intensive Preparation Course

Recognised worldwide, IELTS assesses the language ability of candidates who need to study or work where English is the language of communication. Our comprehensive course is intended for those who wish to benefit from intensive preparation for the IELTS test, which includes listening, speaking, reading and writing components. This full-time course provides 30 lessons per week, allowing participants the opportunity to maximise their development in each of the four language skills.

FCE Intensive Preparation Course

The First Certificate in English, an established Cambridge English Language Assessment examination, is for people who need to use everyday spoken and written English for work and study purposes. Our 30 lesson per week course focuses on all five parts of the exam, covering techniques such as how to approach typical tasks, with special guidance on writing.

Examination Practice plus Intensive Courses

These courses aim to raise your level of general English by providing 25 lessons per week of intensive English language study, combined with 5 lessons per week of practice for the examination of your choice: IELTS, TOEFL or CAE. Teachers will familiarise students with the format of the examination and will introduce strategies for dealing with typical questions.

Programme Features

- Examination preparation and practice for IELTS, FCE, CAE, TOEFL and OET
- Individual Tutorials with the teacher and the Course Coordinator
- Free access to the multi-media learning centre

Occupational English Test (OET) Intensive Preparation Course

The intensive preparation course is designed to help trainees focus on the four language skills, listening, reading, writing and speaking, to help develop the level of proficiency required to successfully take the test. This 30 lesson per week course allows time to focus on improving overall language proficiency as well as the specific exam techniques required for the different tasks in the test.

OET Examination Preparation plus Intensive Course

This course is designed to raise your level of general English by providing 20 lessons per week of intensive English language study, combined with 10 lessons per week of practice for the Occupational English Test. Teachers will familiarise students with the exam format and provide strategies and techniques for dealing with the task types contained within the test.

Club 50+ Programme

More and more people in their fifties, sixties and beyond appreciate the attraction of a short, well-organised study programme - especially when it is combined with visiting and exploring new destinations. If you are fifty or over, this programme offers you the ideal opportunity to visit England for a stimulating and productive holiday.

Your classes

- You will study in a class where the minimum age is fifty. There is no upper age limit.
- The classroom approach is to create an informal atmosphere for purposeful learning, conducted at a pace suitable for those who may not have been in a classroom for many years.
- Our friendly and approachable teachers will make the classes interesting and enjoyable and will use modern teaching methods and materials to build your confidence in speaking English.
- Group activities will be arranged to improve your comprehension and communication skills, such as guided and free conversation practice, role play and discussion of aspects of British and international life, customs and culture.
- Learn in an international environment and make friends with people from many other countries.
- Free access to the multi-media learning centre.

Excursions, leisure activities and walks through history and literature

Outside the classroom, you will have the benefit of guided excursions to places of historical and cultural interest and of carefully arranged leisure activities. You will also have time for sightseeing and shopping on your own or with your new friends from the school. If you have selected the walks through history and literature, a number of guided hikes will take you on a special journey through time and countryside.

Your accommodation

We normally provide accommodation with selected homestay families so that you will have no worries about your welfare and your meals. If you prefer to be independent, we can recommend alternative accommodation such as hotels or guest houses to meet your needs.

- Enjoyable English language tuition
- Relaxed conversation and discussion of current affairs and British life, customs and culture
 - From Elementary to Upper Intermediate level

English for Young Learners and Teenagers

Choose from the following Young Learners and Teenagers Courses:

- English language and activity course (20 lessons per week)
- Intensive English language and educational activity course (28 lessons per week)

Classes

Your son/daughter will study in a lively international atmosphere with others whose levels of English are similar. Your son/daughter will be taught by a team of two or three teachers, who encourage participation and interaction between members of the group - and English will be the only language used!

Lessons

The lessons will be stimulating and effective, with a variety of activities to develop your son/daughter's confidence, knowledge and skills:

- lively presentation and practice of new language
- rapid development of oral fluency, accuracy and conversation skills
- systematic development of listening, reading and writing skills
- extension of vocabulary, structure and usage

If your son/daughter follows an intensive course of 28 lessons per week, he/she will have the additional benefit of a language extension programme with an intensive academic approach. With CLIL content in the lessons and weekly themed activities, this is a unique and intensive course for keen learners who may wish to go on to take English exams. CLIL is a method of teaching and learning which provides English language practice whilst studying other topics such as geography, history and science.

Excursions, Sports and Leisure Activities

A wide variety of excursions, sports and leisure activities are an integral part of the programme. Students develop their language during activities and excursions using quizzes and worksheets about the destination or activity. Excursions and activities are also followed up in class and students are encouraged to develop language through their experiences.

(Excluding courses with reduced fees)

If, after commencement of a course, the student wishes to change to a course of a lower specification, two weeks' notice must be given to the school. If approved, the change must be made on a scheduled entry date for the new course.

Any refund due will be in the form of a credit towards any required extension of the amended course or towards any subsequent course with Anglo-Continental during the twelve months following the end of the amended course. The credit is not transferable to any other person and no cash refund can be given.

Failing this, accommodation fees are payable in lieu of notice. An administrative charge of £25 will be made for each request to change homestay family accommodation.
