

Innovation Creativity Expertise

Chrissi is an experienced teacher, teacher trainer and academic manager with over 35 years' experience. Since the corona pandemic forced the closure of the Globe English Centre, where she was the Academic Director for over 20 years, Chrissi has launched her own consultancy specialising in **online classes** for older teen / adult learners. Classes for younger teens and children can also be arranged.

CHRISSI FLORIDES LANGUAGE CONSULTANCY - ONLINE CLASSES

ADULT COURSES - For students aged 16 +

Online programmes

Our personalised lessons allow you to focus on any area of English that you want. Prior to starting your course you will be offered a free 20 minute consultation to assess your level and discuss your needs in order to design a programme tailor-made for you.

We offer the following options:

General English:

Our courses are interactive, creative and communicative, maximising all-round development.

Lessons focus on developing the core language skills, with particular emphasis given to speaking and listening. Vocabulary and pronunciation work are integrated into the programme and homework activities cover consolidation of language, reading, intensive listening and writing skills.

Students will develop both confidence and communication skills through a variety of topics using both original and authentic materials. Lessons are personalised so all content is tailor-made to suit the individual, allowing students to improve their English, develop their skills and to use their language confidently and fluently in meaningful ways.

Specialist courses

Exam preparation
IELTS: All levels- Academic or general
Cambridge exams:
PET – Intermediate B1
FCE – Upper Intermediate B2
CAE – Advanced C1
CPE – Proficiency C2

For long term exam courses we may recommend purchasing a course book to make classes easier. Alternatively classes can focus primarily on productive skills (speaking writing).

Business English

A personalised course allowing you to focus on any area you want, for example writing emails, giving a presentation or improving your speaking skills in the workplace.

Teacher Training

A blend of practical, reflective and methodology sessions to refresh and inspire teachers by providing a stimulating, relaxed environment for the discussion of class activities and issues.

Teachers will both practise their English skills and evaluate a range of ideas that they can use in the classroom. This course is for minimum 2 teachers, max 4.

What you need:

Access to a lap top / ipad / smart phone or similar with a camera. Initial consultation can take place via whatsapp, skype or zoom. Lessons take place via skype or zoom so you will need to download these platforms (both free).

Terms and conditions

Timing

Lessons will be scheduled at a time to suit you and your teacher.

Fees
