Security

The CiC was founded in 1931 by the famous French poet Paul Valéry. Between the 2 world wars, his idea was to bring together young people from around the world, to learn French and to "imagine"... **la paix.**

"The best way to make your dreams come true is to wake up"

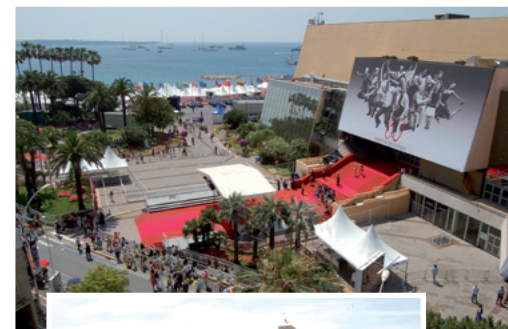

Paul Valéry

Cannes at your feet

From a little village of monks and fishermen in the middle ages Cannes has developed into one of the most famous French cities. With its only 73 000 inhabitants it offers the culture of a big town:

Festivals, La Croisette, The Lérins Islands, the traditional market, Le Suquet, shopping, museums, beaches... a human dimensioned multicultural city with an international prestige and 300 sunny days a year.

- the international airport "Nice Côte d'Azur" at only 35km
- the central train station of Cannes accessible by the T.G.V. at only 2km from the campus
