Course organization

Each course stipulates a mandatory minimum level in French, and in some cases, there may also be a maximum level requirement. Additionally, a minimum number of students is necessary for a course to be conducted. In case one of these criteria are not respected, IS Aix-en-Provence reserves the right to either transform the course into a different program or cancel the course. Complete beginners joining a group course must adhere to specific starting dates. If a complete beginner is not attending a scheduled date or a student has reached a C2 level, IS Aix-en-Provence reserves the right to either transform the course into a different program or cancel the course.

One lesson has a duration of 45 minutes. The course timetable is transmitted on the first day of class and per consecutive two-week periods. Classes are scheduled by the school. Students are asked to take note of their lesson schedule and to inform of any absence in advance whenever possible.

Missed lessons are forfeited and cannot be postponed, refunded or taken at another time. At the end of the course, students receive a certificate indicating the level studied.

Lessons are given entirely in French. Students are requested to respect the timetables and to be punctual.
