Intensive Spanish

Our students can choose the number of lessons per week and can design their own Spanish programme depending on their interests, by adding elective or private lessons to their General Spanish programme.

General Spanish

+ Spanish plus electives

Our General Spanish courses concentrate on the fundamental language learning skills: reading, writing, listening and speaking. All lessons are taught in Spanish. Our method has a communicative focus where grammar is practiced in contexts that reproduce situations of everyday life. The lessons are based on tasks and planned depending on the students' needs and different styles of learning.

Spanish life and culture

Improve your knowledge of different aspects of the Spanish culture, related to art, literature, history... and also understand the way people think and live in Spain and in the Hispanic world.

Grammar skills

Delve deeper into Spanish grammar. A course focused on improving your writing and grammar skills, learn the basics of the Spanish language with a structured and practical programme with intensive exercise practice.

Pronunciation and speaking

Perfect your pronunciation with this elective. Through communication activities you'll listen and practice how the language sounds. Learning to pronounce Spanish correctly will make your speaking clearer.
