Your **safety** is important to us!

We can't wait to welcome you back to our schools as soon as we reopen. Because we want your time with us to be as stress free as possible, we have put in place new systems and procedures to ensure all our staff and students feel safe and protected.

Safe Transfers

On arrival please follow the procedures in place at the airports, face coverings must be worn and social distancing rules must be followed. Our drivers will meet you and take you to the school or your accommodation. Students from specific countries may be required to quarantine for 14 days on arrival to the UK. We will advise you if this applies to you.

Clean Schools

The schools will be deep cleaned and daily cleaning schedules have been put in place. There will be daily temperature checks for staff and students. Face masks, hand sanitiser and latex gloves will be available throughout the school.

Learn English Safely

Our class sizes have been reduced to ensure social distancing can be implemented. We will continue to run outdoor activities and lessons but these will be restricted to the local area to avoid long periods of travel.

Single Room Accommodation

Only one student per homestay or room within the residence are permitted, unless travelling with a member of your household. All homestays and residences will maintain a high degree of cleanliness. All homestays will complete a form to declare they are fit and well to host.

Care and Support

Our staff are here to support you throughout your stay. All our schools and residences have been carefully assessed and systems put in place to ensure your stay is safe and relaxed, so you can learn English without worrying about anything else.

Insurance cover for COVID-19

LAL Language Centres strongly urges all students to carefully check their insurance policies to fully understand the cover and the potential for incurred expenses in the event of cancellations. LAL's insurance provider is guard.me international insurance. The guard.me "Multi-risk plus Cancellation" insurance will include medical cover for COVID-19 but not trip cancellation costs for COVID-19 as it is no longer an unexpected event. This means that costs incurred to extend accommodation due to isolating or quarantine will also not be covered by insurance and will be the responsibility of the student.

Students will have the opportunity of being just meters away from the beach, enjoying amazing views and a wide variety of amenities. Students will also benefit from being a short walking distance to our school.

The Twenty9 hotel is ideal to those aged between 23-39, who are looking to enjoy a friendly and relaxed environment. The hotel has been recently renovated, and has outstanding facilities.

Feeling and Atmosphere

Fully embracing Paignton's seaside charm, Twenty9 has a chilled-out and relaxed atmosphere. The white and turquoise decoration means that even in the hallways you never feel far from the beach.

Our students can choose to stay in private en-suites, but will also be able to enjoy lovely communal areas to socialise and make friends.

Our students can enjoy a freshly made continental breakfast every day at the dining room.

Before and after lessons, the TV area and lounge are the perfect place for students to socialise, have fun and get to know one another. The TV area is fully equipped with a Xbox and a selection of games and films, ideal for a fun evening in.

Students will also have access to a modern communal kitchen, where they can prepare their own meals.
