WHY CORK

Cork is Ireland's second city and is the ideal city for students to travel to as an EFL destination. Cork city sits at the origin of both the Wild Atlantic Way and Ireland's Ancient East. It is the perfect starting point to explore the country.

Cork has been voted the third friendliest city in the world by Condé Nast Traveler's annual reader survey. Three Irish cities made it into the top 10 friendliest cities list, with Cork in third place, Galway at number five, and Dublin coming in eighth place (August 2018). According to Lonely Planet, "everything good about Ireland can be found in County Cork."

Cork City has a population of approximately 210,000. The city is compact with excellent public transport. Most of the city based attractions located in the city area are within walking distance of the centre, and many are free to visit. The city is surrounded by small towns and villages and a vast rugged coastline which are considered some of the most beautiful Ireland.

The city centre has a vibrant arts and cultural ethos and was selected as the European City of Culture in 2005. Cork is host to many world-renowned festivals. These include the Guinness Jazz Festival, the International Film Festival, Cork International Choral Festival and the Cork Midsummer Festival to name a few.

Corkonians often refer to their city as the 'Real Capital' of Ireland and it is true that Cork is certainly the gourmet centre of Ireland. The rich agricultural landscape has created a tradition of quality produce and culinary excellence, with some of Ireland's best restaurants & food markets in Cork.

Cork is a major centre for international trade and manufacturing. Cork Harbour is one of the largest natural harbours in the world and the county is a second home to many multi-national corporations including Apple, EMC, Amazon, Airbnb, Marriot International, Eli Lilly and Pfizer to name but a few most of which are providing bilingual customer service support from their Cork offices.

PARTICIPANT PATHWAY

Cork English College

CEC is an Online Testing School

We ask all participants to take our online placement test before traveling to Ireland. This allows our academic team to place you in the correct level and take you to class after a welcome induction on your first day. A member of the academic team monitors all tests and is available if you need help or have any questions.

Participants First Day

We ask participants to arrive at our Adult Centre by 8.45 am on their first day for a welcome presentation with the CEC team where participants receive important information about the school and their timetable. Participants who have taken the online test are taken directly to class to meet their teachers. CEC's classes follow the Council of Europe Common European Framework for Languages (CEFR) and we offer classes from A2 to C2.

Progress

Our qualified and experienced teachers use a variety of published and authentic materials to help participants progress as quickly as possible. Teachers and academic management meet regularly to discuss each student's progress. Each week the teachers hold a short meeting with each student, giving feedback and advice on how to improve. There is also a brief progress test each Friday. When a participant is ready to move up to the next level, they will join their new class on Monday.

Methodology

The method of teaching used at CEC is the communicative approach. Our aim is to enable students to communicate more effectively in English both with native speakers and speakers of English from other countries. CEC's courses include work on grammar, vocabulary, pronunciation, and the skills of listening, speaking, reading and writing. Special emphasis is given to communicating effectively and accurately, and error correction plays an important role in classes. All of our course levels are mapped to the Common European Framework of Reference for Languages and have clear learning outcomes. These learning outcomes are what the students can do with the language. Participants can see the learning outcomes for each week on the scheme of work in their classrooms and can discuss these with their teachers.

Afternoons

Participants can use the school common room & lounge area in the afternoons to relax, mingle with friends, or use it for study & work. Alternatively, they can join our wide range of activities many of which are built into each Erasmus+ programme.

CEC Online

All participants have access to CEC Online, our integrated E-Learning platform. CEC Online is accessed through www.corkenglishcollege.com and offers students thousands of additional learning exercises as well as the ability to view & register for our weekly activity & social programme.

Course Certificate

On completion of the course, participants will receive a CEC Course certificate. An academic report is also sent to the student's CEC Online account. Any necessary documentation for Erasmus+ funding can be submitted to the main reception at the beginning of a participants week, and collected on their final day.
