*Céad mile fáilte* (one hundred thousand welcomes) to ATC Language Schools!

Since 1973, we have proudly welcomed young learners from around the world to our exciting junior programmes across Ireland. Now, in 2026, we're thrilled to extend that welcome even further with the opening of two new junior summer centres - in the vibrant city of Cork, nestled in the heart of southwest Ireland, and the historic, charming university city of Cambridge, in England.

With expert teachers, engaging activities, and a safe, supportive environment, ATC Language Schools is the perfect place for juniors and young adults to learn English, make new friends, and explore the best of Irish and British culture.

From our modern campuses to our carefully planned excursions, every part of the ATC experience is designed to be fun, enriching, and unforgettable. Our experienced team is committed to giving each student personal attention, academic guidance, and a welcoming space to grow, connect, and make the most of their time with us.

Join the adventure in 2026 - we will be ready to welcome you with a smile!

Warmest wishes from all the team at ATC Language Schools!

**Colm O'Byrne**  
Managing Director

# Discover & Embrace Your ATC Family

For over 50 years, ATC Language Schools has welcomed young learners from around the world, creating a global community through our Junior Summer, Young Adult, Mini-stay, High School, and Erasmus+ programmes.

*"Ireland has been so significant for our students, their first time in an English speaking experience... Watching how grateful they've been to ATC has been truly emotional."*

Fabiana (Brazil)  
Group Leader & Agent  
ATC Junior Summer

## What makes ATC special?

- ★ Our signature personal touch
- ★ Our warmth & support
- ★ A true sense of belonging
- ★ Our dedicated team
- ★ You're not just an agent/parent/student, you're family!

Pack your bags and bring your curiosity, we're excited to welcome you in 2026!

## Our Teachers, Your Guides

### Learning that Inspires

ATC's highly qualified teachers go beyond the classroom with hands-on projects blending creativity, science, technology, and teamwork, in a fun, supervised setting.

With the support of activity leaders, students also have the opportunity to explore visual storytelling through vlogging and to showcase their talents through drama in a welcoming environment.

#### Other inspiring options include:

- ★ **Erasmus+ KA1** for school groups (Bray & Dublin)
- ★ **Green Voices** (sustainability projects)
- ★ **STEAM for Schools** (chemistry, coding)
- ★ **World of Work** (digital skills, CV writing, entrepreneurship)

## Accommodation & Care

Student welfare is our top priority at ATC. Whether in host families or student residences, accommodation is fully supervised 24/7 by our trusted team. It's our mission to keep students and group leaders safe and happy.

**Everyone feels safe, cared for, and at home.**

- ★ **Garda-vetted (police checked) staff and host families**
- ★ **Accommodation is full-board, all meals included**
- ★ **Support for dietary needs**
- ★ **Dedicated coordinators for individual students**
- ★ **Private airport transfers and full group and individual supervision**
- ★ **Dedicated accommodation and welfare officers available 24/7**

## AI-Enhanced English Language Course: Level Up Your Learning **NEW for 2026**

A new curriculum for English in the 21st century, using AI teaching tools to empower teachers to respond dynamically to their students' language needs.

ATC is starting work on an exciting new English language curriculum for summer 2026!

Our CEFR-aligned programme will continue to offer the highest standard of English language education through interactive learning, but with even greater support for individual learner needs and focus on developing individualised learning paths.

Our innovative new curriculum will integrate language learning with the development of a range of skills and competences essential to contemporary communication. It will focus on the development of our students' English, but also their multimodal literacy, critical thinking skills and intercultural awareness.

Led by our highly qualified teachers, we will transform the teaching and learning experience with the help and support of AI teaching tools.

## All students will have

-  A placement test on arrival
-  Internationally mixed classes
-  Weekly assessments
-  Didactic material and ATC Learning Journal\*
-  Final evaluation form on students' soft skills
-  Final graded certification
-  Minimum 2 week stay

\*The ATC Learning Journal provides tasks and research activities based on each tour the students can expect to go on. It includes a Learning Diary for students to make notes, record new words and phrases, and reflect on what they learn and experience each day.

## Erasmus+ Projects for School Groups

As part of ATC's Erasmus+ Key Action 1 opportunities, school groups can opt for project-oriented learning themes focusing on Digital Literacy, Sustainability, Inclusivity and Diversity.

These projects are designed to build critical soft skills alongside English communication, making them the perfect junior course for your Erasmus+ mobility.

*"It's the personal care, the professionalism, and that warm Irish spirit. Our students always ask, 'When can we go back?'"*

Hans (Germany)  
Teacher, Erasmus+ Mini-Stay Group ATC Dublin

### Topics and Projects

-  General English & Irish Culture (with optional project)
-  Irish Literature, Culture & History
-  World of Work - Skills for the Next Generation
-  World of Work & General English combined (2 weeks)
-  STEAM - Primary & Secondary
-  Next Generation EU Programme - Green Voices - Primary & Secondary
-  AI & Digital Skills
-  All programme hours are certified including optional features

## High School Programme in Ireland

ATC offers international students the opportunity to 'live & learn, the Irish way' by attending a local Irish public or private high school for one term, two terms, or a full academic year (August–June), all in the English language.

### Who It's For & What You'll Gain

- ★ EU & non-EU students from age 12-18 seeking authentic immersion in Irish secondary education
- ★ Ideal for learners with pre-intermediate level English or above
- ★ A transformative experience: improve language skills, discover Irish culture, gain confidence and independence, and build new friendships.

### Accommodation & Package Options

- ★ Live with a welcoming Irish host family in a full-board single room
- ★ Choose an all-inclusive package (uniform & books included) or a Smart Package (you source these independently)
- ★ Optional boarding at selected schools with meals and full pastoral support
- ★ Transfers provided on arrival and departure days, plus ongoing guardianship by ATC coordinators throughout your stay.

*"It's absolutely an amazing experience that I'll never forget and I recommend to everybody, not just for the language, but also for trying new things and experiences that probably you never thought about."*

Gaia (Italy)  
High School Programme - Full Year

### Programme includes

- Initial online consultation to select preferred schools
- School application assistance and monitoring
- Full board accommodation or boarding option
- Airport transfers and regular liaison with ATC regional coordinators
- Final school report or end-of-term academic certificate
- Local support including parent/teacher meeting attendance, welfare visits, and assistance with local services as needed.

Contact ATC for further details.

# Stories from Students & Group Leaders

*"ATC is a school that cares about its students and offers a broad activity program so each student can choose according to their preferences. My group of students liked the camp atmosphere, meeting students from other countries, and the program of activities and excursions."*

Maximo (Spain)

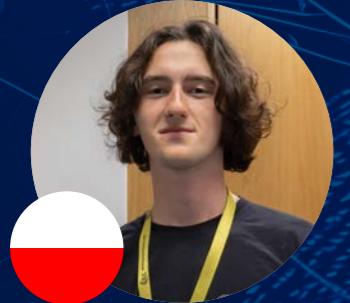

Group Leader & Agent  
ATC Junior Summer

*"I believe ATC is a great school because they offer a great experience on UCD campus which is a great opportunity for people who are considering studying here in Ireland"*

Adam (Poland)

ATC Young Adult Programme

*"ATC has this unique element that, as teachers, we are looking for. It involves students into the culture, the history of a country...It is a lovely and secure place to study.. This camp has it all!"*

Melissa (Mexico)

Group Leader & Agent  
ATC Junior Summer

*"Teachers and staff at ATC were very friendly, and at the same time they were very prepared. It's the best camp I have been to as a group leader in 15 years!"*

Teresa (Italy)

Group Leader  
ATC Junior Summer

*"In just two weeks, these young learners grow in ways beyond language—they develop emotionally, socially, and personally. This is not a regular vacation, it's a transformative experience. With ATC's support, these meaningful moments are elevated even further."*

Fabiana & Priscilla (Brazil)

Group Leaders & Agent  
ATC Junior Summer
