Calendar 2019

EIM is open from Wednesday 2 January to Friday 20 December, but is closed on the following National Holidays: 19 and 22 April, 6 and 27 May, 26 August, and 23 December to 3 January 2020. The first day back for students in 2020 is Monday 6 January.

On national holidays there are no classes. Students have the option of joining a teacher-led excursion (transport not included) instead of classes. Any missed individual classes are taught on another day. When the national holiday is on a Monday, students arriving have their induction on the Tuesday. However, the above does not apply to our Christmas Break (from 23 December to 3 January), where no trips are offered as the Centre will be fully closed.

First Day

On arrival, students receive a Welcome Pack as part of English in Margate's Induction programme. This contains comprehensive information about the school as well as relevant details about the local area, including transport and recreational facilities. During the induction, students are given both a written and oral test to determine their levels, followed by a tour of the school. After a mid-morning break, during which they have the chance to meet other students, they join classes at 11:30 (in summer this may be an introductory class).

In the afternoon, there is an orientation tour of Margate and an academic induction to our self-study facilities as well as a meeting to discuss the social programme in more details.

Course Price includes:

Welcome Pack including Margate Map and tourist information	Use of the self-study centre
English in Margate photo identity card	Notebook for vocabulary and grammar

Academic Support

One of the key features of our Academic team is the degree of hands-on support offered to students from the moment they arrive until their departure. This is an ongoing process of communication with all students, including feedback questionnaires at various points during their stay. Students are also welcome to express their opinions to their classroom teacher, particularly if they have concerns over their placement and class level. In addition, fortnightly tests and a system of 1-to-1 tutorials enable us to assess and monitor the progress of all students, ensuring appropriate classroom provision.

For students who wish to add additional elements to their learning programme, our self-study centre, open weekdays from 8:45am to 9:30am, 11am to 11:30am, most of the day from 8:45 am to 5:30pm and on two or three evenings from 7:45pm to 9:45pm, offers the ideal practice opportunity, with assistance from staff available whenever necessary.

Welfare

With academic progress being so closely linked to a student's personal circumstances, we have a strong system of pastoral care in place, based on care and confidentiality. During their stay, students can be sure of finding a sympathetic and helpful member of our Welfare Team who will offer the appropriate advice and guidance, with the individual's best interests in mind. Students under the age of 18 have a dedicated meeting on the first day to help make the most of their experience in Margate.

We reserve the right not to allow a student to start a course if they do not meet these criteria, or to place the student in a class with fewer lessons and a different syllabus, with no right of financial compensation, to better suit the needs of the student. English in Margate may alter or cancel the course programme, change teachers and location and alter dates from those stated in the brochure without prior notice.

Enrolments are accepted on the understanding that the student has no illness or infirmity which might adversely affect the success of the stay, and that any transmissible disease or pertinent medical condition suffered by the student must be declared at the time of booking.

This condition also applies to public and private places when students are on school activities and/or excursions. Enrolment confirmation and payment

Once a completed application form and deposit have been received and accepted, the student will be sent confirmation by email with an invoice for the balance due. Fees must be paid in full four weeks before the start of the course. The course and accommodation will be cancelled if payment is not received and the student does not contact us about this.

Cancellations and refunds

Full fees for all courses are payable and are non-refundable unless we receive a cancellation notice at least 28 days before the scheduled date of arrival, in which case the £200 deposit is forfeited. All cancellations must be notified in writing to the school and are only validated with written acknowledgement of receipt from the school. EiM cannot refund fees to students who start the course late, miss classes, choose to exchange their course for one of lesser value, or leave early for any reason. There is no refund for lessons lost due to public holidays. If the course is cancelled from 28 days to 7 days before the start of the course, 50% of the fees will be refunded; there would be no refund if a cancellation is made less than 7 days before the start of the course.

Accommodation and Holidays

We are happy to consider a request for a change of homestay but an administrative charge of £30 may be incurred at the school's discretion. For long-stay students we ask that at least two weeks' notice is given.

The school must be informed of any guests staying in self-catering accommodation. A supplement of £30 per night per person is charged for any guests staying overnight.

If the student is on a long course they should pre-book the number of weeks' holiday they wish to take before the start of the course. All students must notify the school of the specific dates of the holiday they wish to take at least two weeks in advance. Students who wish to book a holiday with less than one week's notice may do so at the school's discretion.

Visas

It is the student's responsibility to ensure that they have the correct visa type and appropriate leave to remain in the UK. If that is not the case, the course will be terminated and tuition fees forfeited. If a visa invitation letter has been issued and the visa application is refused, a refund minus any costs incurred would be made upon receipt of a copy of the visa refusal document.

If the student has booked through an agent, their terms of contract may apply to the student, but we reserve the right to apply our own terms.

6 Social Programme

The social life you experience as a student at English in Margate is very important to us. Taking part in the additional activities that we provide and recommend while you study allows you to put into practice what you learn and take your English to a new level, while having fun and creating lasting friendships with your fellow classmates. Our unique social programme has something for everyone, whether you want to learn more about British history and culture, visit famous places of interest, or just relax with your friends.

The basic social programme for a week consists of two main elements, the Hawley Club evenings and excursions to destinations close by and further afield.

Evenings at English in Margate: We are very lucky to have our own Café / bar within our school building – our Hawley Club. This gives our students the opportunity to meet and socialise in a friendly and welcoming atmosphere, making it easy to get to know others and make new friends. Apart from being able to relax in a comfortable setting while having some snacks and beverages, we have a small pool table and wi-fi of course. Our students come to the Hawley Club in the evenings to welcome new students, or say goodbye to those leaving, listen to a cultural talk given by a teacher or, for example a local historian or businessperson. We have regular international food evenings too and the club is a good meeting -place for students going into town for the evening, maybe to the cinema, Morgan's Dance Rooms or to a local restaurant.

Since our homestays are generally within a very short distance from the school and the town centre, you can take full advantage of our Club and the activities we organise. The club is open two or three evenings per week between 19:45 and 21:45 and we offer a variety of activities for you to enjoy including casino nights, film evenings, cultural talks and more. On Tuesdays and Wednesdays, we organise Cinema Evenings, Pub Trips and Salsa Dancing.

Our Monday night Welcome Evening is an excellent opportunity for new and existing students to meet and get to know each other in a fun and memorable atmosphere.

We offer cultural visits to suit all tastes and all these activities can be found on our website. At English in Margate we believe that taking part in the social activities will provide you with a full, enriching and memorable experience.

Under 18 students at English in Margate

The welfare and safety of junior students (that is, students under the age of 18) is of the utmost importance to us. We understand that everyone who comes into contact with children and vulnerable adults has a duty of care for their welfare, ensuring their safety at all times. Our junior students mix with the adult ones as much as possible; in the classroom and on daily activities in and outside the school. Junior students are not placed with adult students in homestay.

There are certain rules that junior students must observe. Students must be back in their homestay by 10:30pm. It is illegal for students under the age of 18 to purchase and consume alcohol, and to purchase cigarettes and tobacco. Parents (or legal guardians) must fill in a consent form at the time of booking to confirm they have understood the Terms and Conditions for enrolment for junior students (available here, <https://englishinmargate.com/wp-content/uploads/2018/Terms-and-conditions-for-students-under-the-age-of-18.pdf>).

Young learners under the age of 16 only come in supervised groups. The students do not have lessons with our adult students and follow a different lesson time-table, break-times and lunchtimes.
