CHEL TENHAM

A CLASSICAL REGENCY TOWN

Cheltenham is a beautiful and historic town located in Gloucestershire, in the South West of England. It sits right next to the Cotswolds, an area famous for its beautiful green countryside.

Today, Cheltenham has a population of about 121,000 people. It is a very safe, clean, and friendly place to live and study.

The town became famous over 300 years ago, in 1716. According to local legend, people found a natural water spring after noticing healthy pigeons pecking at the ground. Doctors discovered that this "spa water" was very good for people's health. In 1788, King George III visited Cheltenham to drink the water, which made the town incredibly popular with rich and famous people.

Because it was a popular holiday spot for wealthy visitors, builders created gorgeous streets, large parks, and elegant houses. This style of architecture is called "Regency" style, and Cheltenham is known as the most complete Regency town in Britain.

Today, the town is still famous for its rich history, its world-class horse racing, its excellent schools, and its fantastic festivals for jazz, literature, and science.

We hope that you will take every opportunity to enjoy Cheltenham during your studies at inlingua Cheltenham!

Many students need a specific score in exams like IELTS, Cambridge, or TOEFL for their jobs or university studies. We know that preparing for these tests can be stressful, but our experienced teachers are here to help you get the best result possible.

THE INTENSIVE ENGLISH COURSE

If you are preparing for an exam, we recommend our Intensive English Course. The length of your stay will depend on how much you need to improve to reach your target score.

- **Afternoon Lessons:** Focus on the four main skills of Reading, Writing, Listening, and Speaking

These lessons give you the specific tools and techniques you need to succeed on exam day.

YOUR COMMITMENT

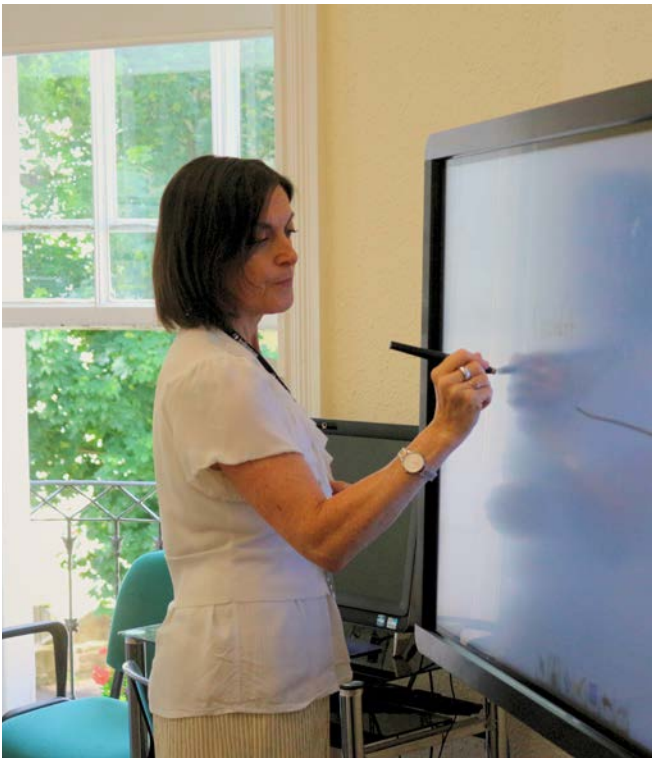

To reach your goals, you will need to be dedicated to your studies. If you need extra help with a specific skill, you can add one-to-one tutoring (see page 14) to your program.

OUR GUARANTEE

English levels improve at different speeds depending on your starting level and how hard you work. For this reason, we cannot guarantee a specific score in a set amount of time. However, we do guarantee that you will be taught by professional teachers. We have a proven history of helping students reach their exam goals.

SELT EXAM PREPARATION

Our expert-led SELT preparation courses are designed to help you achieve the English level you need for your UK visa or immigration application. With experienced teachers, practical exam practice, and personalised support, you'll build your skills and feel fully prepared on test day.

COMMONLY ASKED QUESTIONS

Which school will I attend?

We work with several schools in and around Cheltenham. Students are placed in a school that has availability and fits the student profile (age, grade, subject requests, etc.).

When can I join the State School Placement course?

You are free to join at any time during the school year. Please be mindful of school holidays (especially in the Summer and around Christmas) and school exams. Please contact us for more details.

Who will help me at the school?

Each school operates a type of buddy system. You will be shown where to go on your first day by a member of inlingua staff and state school staff. Your buddy will be a British student your age, and they will show you where to go for class.

What subjects will I study?

You will study the same subjects as your buddy, but some schools will offer a choice of subjects for over 16s studying A-levels.

How will I get to the school each day?

Each day, inlingua Cheltenham will provide you transportation, either by bus, taxi or school van, to your school each morning. At the end of the school day, you will take the same transportation back to inlingua Cheltenham. Details depend on the school and host location.

Can I join extracurricular activities after school?

Usually students cannot join extracurricular activities because of the daily pick-up and drop-off schedule. There may be exceptions for students who are attending schools closer to their homestay.

Will I receive grades for the work I do?

You won't receive an official grade report from the school, but you will receive an attendance report as well as a written summary of your performance and participation by your teachers.

What will I eat at school?

You may choose to have your host prepare a packed lunch each day, or you may choose to have a hot lunch at school. There is no difference in price between these options.

Do I need to buy a school uniform?

No. Schools will not require you to purchase a school uniform (but you have the choice to), but they will request that you dress in smart clothes. If you have your own school uniform, that is the best option. Some schools may lend you a uniform.

What will I do during school holidays?

Please see page 26 for details on our School Holiday Camp. There is no provision for Christmas.

SCHOOL HOLIDAY CAMP

If you choose a long-term placement at a state school (maximum two terms), you will have school holidays at different times in the year. Some holidays, such as half term break, Christmas and Easter, last for a week or more.

If you decided not to take a holiday during school breaks, you have two options:

- Attend an inlingua Cheltenham General English course (restricted to 16 and older)
- Attend an inlingua Cheltenham School HolidayCamp (open to students 11-17)

GREATWAY GUARDIANSHIP AND EDUCATIONAL SERVICES

When international students under 18 study in UK boarding schools, British law requires them to have a Guardian. A Guardian is a trusted adult or company responsible for the student’s safety and well-being while their parents live abroad.

Greatway Guardianship is an official, professional guardianship company based in Cheltenham. They are accredited by AEGIS (the official association for student safety in the UK). This means they follow the highest standards to look after your child.

WHAT GREATWAY GUARDIANSHIP DOES FOR STUDENTS

Greatway acts like a “local parent” in the UK to support students, parents, and schools. Their main services include:

- **24-Hour Emergency Support:** They have an emergency team available 24 hours a day, 7 days a week, to solve any urgent problems.
- **Finding Safe Hosts:** If a student needs a place to stay during school breaks or holidays, Greatway connects them with kind, safe, and welcoming local hosts.
- **School Liaison:** They act as the middle person between the student’s family, the international agents, and the British school. They attend parents’ evenings and help track the student’s academic progress.
- **Native Language Support:** To make communication easy and comfortable, they can speak and resolve issues with the student or their parents in their native language.
- **Travel and Practical Help:** They help arrange transport to and from the school, and they make sure the student has everything they need for their daily life and studies in the UK.

WHY CHOOSE GREATWAY?

- **Total Peace of Mind:** Parents can feel happy and relaxed knowing professional, knowledgeable staff are watching over their child’s safety and happiness.
- **Student Well-being:** Greatway puts the student’s mental and physical health at the heart of everything they do.
- **Easy Planning:** Greatway coordinates directly with partner schools (such as inlingua Cheltenham) to arrange all guardianship details smoothly before the student even arrives in the country.

BOARDING SCHOOL VISITS

inlingua Cheltenham and Greatway Guardianship work together to offer a boarding school visit package. While parents go and look at the world-class boarding schools in the Cheltenham area, their children are taking English lessons or doing a school immersion. This is a great chance for parents to explore the option of sending their children to a British boarding school.

Please email info@inlingua-cheltenham.co.uk to learn more.

SUMMER CAMP AT INLINGUA CHELTENHAM

inlingua Cheltenham offers a fantastic international Summer Camp at our language centre. This programme provides students from many different nationalities the opportunity to find friends, learn English, and make amazing memories. The Summer Camp will run from 5 July to 16 August.

Students in the Summer School will be led and supervised by a great team of teachers and activity staff. Through lessons, projects, activities and more, students will develop new skills and interests to take home.

Students will also interact with British buddies, who are local British students who join activities and help students practise their English as they make great memories.

The summer camp includes two trips each week to destinations including London, Oxford, Bath, Stratford and more. This is a great way for students to explore the UK.

To learn more details about the summer camp, email info@inlingua-cheltenham.co.uk.

GETTING AROUND CHELTENHAM

inlingua Cheltenham is located right in the town centre. This means you can easily enjoy the shops, cafes, and parks after your classes.

Since we are in the town centre, all local buses pass close to the school. This makes travelling from your homestay to the school very easy and cheap.

If you are staying at the Citrus Hotel, you can walk to inlingua Cheltenham in under 5 minutes.

GETTING TO SCHOOL

- **Walking:** Some students live close enough to walk to school.
- **By Bus:** Other students will need to take a bus to the town centre. Most hosts live within 30 minutes of the school by bus, so your daily travel time will be short.

If you use the bus, buying a weekly bus pass is the cheapest way to travel. You can buy these passes on any Stagecoach bus.

ACCOMMODATION

HOMESTAY ACCOMMODATION

Staying with a local host is a great part of your study experience at inlingua Cheltenham.

Many of our local hosts have welcomed students into their homes for many years. They are very experienced and understand how you feel when you first arrive. In fact, many students and hosts become good friends and stay in touch long after the course finishes.

Our own accommodation officers organise the hosts. We inspect every home to make sure it follows the high standards set by the British Council.

You can ask for specific things (e.g. no pets or a specific diet), but we cannot guarantee everything. This is because space is limited, and we book families on a “first-come, first-served” basis (whoever books first gets the placement).

However, our team will always work hard to find the best possible local host available for you.

AIRPORT TRANSFERS

Students who prefer a private transfer from the airport to Cheltenham can book this transfer at any time up to a week before arrival or departure.

You can split the cost of the airport transfer with others if you are arriving together in a small group.

- **Students Under 16:** Most students under 16 must be with an adult at the airport. If a student is travelling alone as an “Unaccompanied Minor” (UM), there is an extra £100 fee each way. This covers the cost of the driver staying with the child at the airport until the plane departs.

PAYMENT REQUIREMENTS

Applicants will pay a non-returnable Registration Fee of £60 along with the Accommodation Arrangement Fee of £40 (if necessary) once their enrolment has been accepted. Failure to do so will stop the enrolment process.

For students who require a VISA, a further deposit of 15% of the total invoice value plus all administrative fees should be paid upon receipt of the confirmation of enrolment letter and invoices.

Payment of the 15% will then be credited to your account, and only the remaining balance will be due 3 weeks before your arrival. We will send a confirmation of deposit payment along with your VISA support letter.

Only after receiving the deposit are we able to issue a Confirmation of Enrolment and your VISA support letter. This payment will be credited to your account and quoted in the VISA letter which allows the VISA officers to see that you are a genuine student who has already paid part of your course fees.

The rest of the course fee is payable in full no later than three weeks before the course commences. If a course is booked less than three weeks before the course starts, full payment should be made on receipt of the course confirmation and invoice, otherwise this will be subject to an interest charge of 8% per month or part thereof up to the first day of the course and until payment is received.

We reserve the right to cancel or terminate any course that has not been paid for, and students

will not be allowed to start their courses until payment has been received. You will not be reimbursed in lesson time for any lessons missed due to late payment of fees.

Please ensure that when you pay the fees, you also pay the bank charges for the transfer so that the school receives the full amount. Shortfalls in payment will be requested and interest charged if need be.

Ensure when making your payment that you indicate who the payment is for (name of student and invoice number) so as to avoid confusion.

If a student wishes to pay their accommodation fees in instalments, an administration fee of £25 per instalment will apply. Tuition fees should be paid in full before the course starts

FAILURE TO PAY

We reserve the right not to accept a student and/or to terminate without notice a course that has already begun if payment is not made in full in accordance with our payment terms.

Failure to complete a booking via full payment and attendance at classes once a VISA letter has been issued may also be reported to local authorities, border security or the Home Office.

CANCELLATION

A cancellation charge will apply according to the following scale:

- up to 21 days before the course begins: lose deposit plus non- refundable fees
- 21 days to 15 days 33% of the total invoice
- 14 days to 8 days 66% of the total invoice
- 7 days to 3 days 75% of the total invoice
- 2 days or less 100% of the total invoice
- no refunds will be made after the course has started

COURSE CONSIDERATIONS

GENERAL ENGLISH

If there are fewer than three students on a General or Intensive English course, the number of lessons per day may be reduced according to the following scale:

GE30

2 students – from 6 to 3 lessons

1 student – from 6 to 2 lessons

GE20

2 students – from 4 to 2 lessons

1 student – from 4 to 1 lesson

We reserve the right to offer lessons in the afternoon should we, at our sole discretion, feel that this is in the students' or schools' best interests.

Alternatively, if there are too few students in a class, that class may be combined with a class of a similar level, and the instruction will be adapted appropriately.

BANK HOLIDAYS

Please also note that there are no group course lessons on Bank Holiday Mondays. Students on short courses (1, 2 or 3 weeks) will be offered extra lessons to compensate for loss of lessons on Bank Holiday Mondays.

Any other school closures will be announced ahead of time, and compensatory classes will be offered where appropriate.

EXTENDING YOUR COURSE

All students may extend their course and homestay subject to visa restrictions and availability of accommodation. We will add the number of weeks of the original booking to your extension, and this may mean you will pay a lower price per week for your extension of tuition fees depending which price bracket you fall into. Please refer to the price list for details.

TAKING HOLIDAYS

If you have booked a course of 12 weeks or more and wish to take a holiday during your course, this is possible AS LONG AS you request the number of weeks you wish to take for holidays at the time you make your booking, and when at the school you give us four weeks'

notice in writing before taking the holiday. We normally allow students to take a maximum of 1 week's holiday for every 12 weeks that they are in the school.

Holidays arranged after the time of booking or that exceed those pre-booked will be treated as absences, and you will lose those weeks of tuition.

If you wish to retain your accommodation, you must pay a retainer of £50 per week to the host while you are away. Alternatively, your luggage can be securely stored in a locked room at inlingua Cheltenham whilst you are away on holiday for a fee of £50 per week. On return you may not be with the same host.

If students shorten their study period after their course commences, there is no refund of fees.

LONG-TERM BOOKINGS

Long-term students cannot reduce the length of their course by changing programmes. Under Home office visa regulations, we are responsible and duty bound to look after you for the whole duration of your course.

Any students in breach of their visa will be reported to immigration.

ACCOMMODATION FEES

inlingua Cheltenham makes a charge of £40 for arranging accommodation. This charge is also applied if you change hosts, unless it is deemed the family is unsuitable for you. Please note that family changes are possible if there is a valid reason. The accommodation fees paid to us are used to pay your host.

We do have a standard agreement with the host which stipulates that we must give them four weeks' notice if a student is going to change or leave the family. In exceptional circumstances (for example, the family does not provide what they have promised etc.) we may decide not to give the family 4 weeks' notice.

Examination Fees (for Cambridge examinations, IELTS etc.) are not included in the course price and will be charged separately.

If there are fewer than 5 people enrolled on an GE30 programme specifically wanting to follow a published IELTS or Cambridge examination preparation Skills Session, we reserve the right to cancel the exam skills sessions and offer alternative skills sessions instead. In these rare situations, we will also offer an extra programme of supervised self-study, in order to help the students to prepare for the exams.

ADDITIONAL CONSIDERATIONS

ACTIVITIES AND EXCURSIONS

Activities and excursions are normally offered as optional extras. These activities are organised for students and offered either free of charge or at cost price (when a cost is incurred by inlingua). Students who prepay activities on the summer programme will normally be guaranteed a place on the activities and excursions they have paid for; however they must still sign up for all activities and excursions, so that appropriate staffing and transport can be arranged.

PHOTOGRAPHY, FILM, SOUND RECORDINGS AND WRITTEN WORK

During our courses, we sometimes take photographs, film footage and sound recordings, some of which may be incorporated in to but not limited to future publicity materials, social media sites, tests & educational material.

If you do **not** wish to participate in any of these, please inform the school.

INSURANCE

Students are responsible for providing their own insurance during the duration of their course. At minimum we recommend a comprehensive travel and health insurance.

Students may also find providers for student-specific insurances.
