Course Material

At BELS, each course is based on course material that covers the main skills needed for the student to improve. We have a variety of books and materials for all our different courses. This means that if for example, a student books General English in combination with IELTS exam prep, he/she would need to pay for 2 different materials.

As learners improve during their stay with us, they are given the opportunity to do the change of level test. If they pass the test they will need to purchase more material as they move up to the higher levels.

On their first day, students are given a course book based on their level achieved in the test. Students are informed not to write in the book until they are sure that it is the right level for them. If they write in the book and then request to change level, a second book will need to be purchased.

Specific Juniors Rules

Parents and students have to sign and accept the BELS Juniors rules. These include but are not limited to the following points: Students attending our Camp Programme must respect curfew times. Illegal substances, cigarettes and alcohol are not permitted during the programme. Students who fail to comply with the programme rules will be sent home at their parents'/ guardians' expense. Students who arrive in Malta without the consent form signed by their parent/ guardian will not be allowed to participate in the BELS Juniors programme. When signing the consent form the parent/guardian also confirms that if the child does not comply with the programme rules, or with any other rules that may be set by the school from time to time, s/he will be expelled from the programme and be sent home at the guardian's expense. This means that the child will not be allowed to mix with our students, and hence change of accommodation will be requested until repatriation. BELS responsibility towards the child will end twelve hours after an incident has been reported. No refunds will be given in the case of a student's expulsion.
