Teacher Training Refresher Course

The Teacher Training Refresher Course offers a balanced overview of the target language (English), grammar and vocabulary, pronunciation, and fluency development. In the ESP part of the course, participants are given the opportunity to look at contemporary trends in EFL methodology, and how these can be adapted to their own teaching style.

An ideal way to develop your communication skills while enjoying thought-provoking and relevant topics. Designed to encourage participation and interaction, this two-week course will help you settle back into using English comfortably through a variety of interactive sessions incorporating

pronunciation, focused speaking and listening skills, information sharing and problem solving tasks. The course also exposes you to modern ELT methodology to inspire your own teaching practice.

Topics can include but are not limited to:

Exploring ELT methodologies
 English Pronunciation skills and integration in the classroom
 Spoken Fluency Development

Comparing education systems
 Classroom management issues
 Modern technology in the classroom
 Developing Reading skills

Developing Writing skills
 Developing Listening skills
 Teacher resources
 Error correction and feedback

Please see our suggested Example 30 Lessons. The course model is flexible and can be amended to suit your requirements.
