USA · CANADA · UK · MALTA

## A message from our Managing Director

Lisa James

Our experience, these past two years, of continuing to deliver programmes during a pandemic to our young learners will support us as we move into what we all hope will be a summer closer to normality in 2022.

Welfare and safety will remain the priority across all our face-to-face programmes in 2022, but we want to ensure that the student experience is high on the agenda too. Many young people have missed out on two years of being unable to travel, meet others from around the world, experience new cultures, see new sights and most importantly, they have missed out on lots of fun. We are committed to making the 2022 student experience a fun one, as well as keeping them safe!

We will continue to offer our exciting range of online and virtual reality programmes in 2022. We have spent a lot of time in the past two years developing these complimentary new additions to our portfolio and are delighted to see more students being able to learn English and meet people from all over the world with us. These programmes will also be available as a hybrid option for all students travelling to our centres in person who may want to extend their learning experiences.

We are all looking forward to 2022 with a renewed energy and enthusiasm and look forward to sharing the journey into a new year with you all.

# < THE EMBASSY SUMMER JOURNEY

Once upon a time...

Though we create “magic moments” Embassy Summer isn’t a “once upon a time” fairy tale. Embassy Summer is a legacy of experienced staff and inspired students and participants. Our story is one with a past, present, and future: It is our pleasure to share the Embassy Summer story with you!

## History

*We’ve come a long way and learnt every step of our journey!*

Embassy Summer is a trusted **global leader** in full immersion junior language programmes with over 40 years of experience in delivering dynamic experiences to students from around the world. We work with global universities, colleges and schools. We’ve navigated through many years of challenges and joy. This year Embassy Summer will operate 18 summer schools with our university partner locations in 4 countries.

## Identity

*Your summer experience matters!*

Embassy Summer courses are designed to ensure that students make the most their time with us. Not only do our students get to improve their English or French, but we also support their personal development and provide them with lots of opportunities to make new international friends.

We are experienced at delivering outstanding programmes, with a 99% student satisfaction rate based on student feedback. We also have a truly global nationality mix with students coming to our centres from over 85 different countries.

## Award-winning

We have been recognised with the ST Star Award for juniors in 2015, the silver award for Best Educational Product in the British Youth Travel Awards 2018 and short-listed for the ST Star Award 2019

## Reality

Join Embassy Summer -  
your adventure awaits!

Culture, fun, education, language - these are the elements that give Embassy Summer its magic!

Join Embassy Summer for a physical adventure such as swimming or hiking, or a social adventure such as a games evening, a disco or sightseeing with new friends. Our students explore some of the most iconic and historic locations in the world- all whilst being immersed in English or French.

## Amazing locations

Choose from 18  
amazing locations...

With several new centre options for 2022, students have the opportunity to learn side by side, with their new friends, in a variety of locations around the world, ranging from small seaside towns to large cities. For both frequent travellers as well as those exploring 'abroad' for the first time, all of our students have the opportunity to experience the beauty of the place the choose to travel to.

## We deliver

We deliver rewarding English language programmes for young learners, providing a truly life-changing experience for students from all over the world. We are a trusted and globally accredited provider with a 40+ year track record.

Hope to see you soon!

# < KEEPING OUR STUDENTS SAFE IN 2022

We place the highest priority on the welfare and safety of our students and provide a high standard of care and supervision across all of our programmes and in all of our global destinations.

## Experienced Head Office Team

Our experienced head office team is responsible for training staff across all our centres to ensure they operate at the highest standard and in line with local accreditation standards. Each of our centres has an average staff ratio of 1:10 and at least one dedicated person responsible for student welfare.

## We care 24/7

We care for our students 24/7, with supervision after class, after activities and during excursions. We also have dedicated night supervisors in our centres to make sure we provide 24-hour support to our students. If any medical issues arise we have trained first aiders on-site and, if required, our staff have established links with local doctors, dentists and hospitals.

## Nurturing and Homely Environment

To make sure individual students are happy and well-cared for we provide guardians to ensure that they are having a fun and safe experience in our centres. Centres with younger students have house parents staying in the accommodation residences to provide a nurturing and homely environment.

## Dedicated Support

We provide dedicated support for our students throughout their stay, including a full induction and orientation on arrival, where all students are issued with identity cards which contain our emergency telephone details.

The World Travel & Tourism Council (WTTTC) SafeTravels stamp enables students to recognise schools around the world which have adopted health and hygiene global standardised protocols – so they can experience 'Safe Travels'.

Since the emergence of Covid-19 in January 2020, our team have worked continuously to update operating procedures and work with our host partners to ensure our students, groups leaders and staff remain safe and well.

We have followed global Government guidelines in each of the destinations we operate in alongside implementing additional safety measures in all of our centres and will continue to do so in 2022. We have learnt a lot through operating face to face summer programmes in both 2020 and 2021 and now take that knowledge and experience in to our 2022 operation.

## Operating alongside Covid-19

All staff are trained to deliver fun and effective summer school programmes. we now also include specific training on how to ensure students have fun and remain safe whilst working with the additional risk of Covid-19.

We have introduced a designated Covid-Coordinator role for each of our locations. This person is responsible for overseeing, where applicable, all Covid-19 testing requirements, possible isolation, and medical assistance and work in coordination with our existing Welfare Managers and first aiders on site.

We have also implemented Covid-19 risk assessments for each of our locations, and procedures for managing positive and close contact cases. Whilst these new procedures are in place, we very much hope not to have to use them during the summer. However our experience has shown that, where Covid-19 is concerned, you can never be too prepared!

## Policies that may be introduced should the risk assessments dictate the need:

We have a full list of measures that we can introduce depending on the level of risk to our students, groups leaders or staff at any time during the operation in each of our destinations, and in accordance with ongoing Government guidelines. Below is a limited selection of possible measures but as we recognise that Covid-19 remains the biggest concern to our students and their parents please do not hesitate to contact us for further information on how we are preparing for summer 2022!

Whilst some measures below will only be implemented if deemed necessary, all of our centres will see increased cleaning of all of our communal areas and high touchpoint areas, such as door handles for example, and hand sanitisers will be stationed throughout our schools. We may also ask students with general coughs and colds to wear a mask to protect others whilst staying with us.

### A SAMPLE OF OUR COVID-19 MEASURES:

- Student temperatures taken every day
- Classroom furniture arranged to minimise risk of transmission and ensure social distancing is achievable
- Face coverings, face masks and face shields worn in line with all local Government Guidelines
- All students will remain in the same class and same seat to ensure quick tracing is available
- Covid-Secure programmes readily available for all our locations should they be necessary
- Regular cleaning of all sports equipment before, after and during activity sessions
- Additional deep cleaning in all our host partner restaurants, cafeterias, and accommodation
- 'Bubble' system implemented if cases / risk is high to minimise ongoing transmission
- Regular, vigorous cleaning practices will ensure our centres are as safe as possible for you
- Embassy Summer will follow local protocols for any staff or students who may show symptoms of, or test positive for, COVID-19

# < LEARNING INSIDE & OUTSIDE THE CLASSROOM

Here at Embassy, we see language as a skill, less of a dry academic subject where the teacher explains structures and students complete exercises and more of an opportunity to improve confidence in communicating and to practise speaking.

## Immersion in an English or French-speaking environment

Many of the students that come on our courses love learning languages and want to immerse themselves in an English or French-speaking environment, but we also have students who struggle with the language and want to leave with a basic operational level, we cater for both.

## Student-centred lessons

It's important for us that students feel comfortable in lessons, that they are placed in classes with a good nationality mix wherever possible, which encourages them to use the language, to share opinions and discuss relevant topics whilst completing personalized communicative tasks. We spend time training and supporting teachers so they can run student-centred lessons that are fun and can give valuable feedback to students which will help them improve their level of spoken English or French and allow them to return home with added confidence and a higher level of proficiency.

## Online placement test

Whenever possible, we attempt to place students before arrival with an online placement test before they arrive at centre. Embassy Summer teachers are aware of the activities and excursions students are enjoying outside of the classroom and bring the outside class experience and vocabulary into their learning environment frequently.

## Real conversations

A typical Embassy Summer lesson will start with a speaking activity which will allow students to express their opinions (students might be asked to compare things or recommend something, ask for opinions, summarise a text or solve a problem). Depending on their level the teacher might pre-teach some functional phrases or highlight them during a feedback stage, the focus is to provide a platform for real conversation on engaging topics and for the teacher to help them to improve. All our teachers receive training before they start and are supported by our academic team throughout the summer to enable them to deliver practical lessons with clear learning outcomes that improve students' communicative level.

## Our Language Programme

The classroom is at the heart of an Embassy Summer centre. Lessons are student-centred and encourage the development of relevant language skills

- Engaging classrooms with a positive learning atmosphere
- 15 Hours (20 x 45 minute) of lessons per week, morning or afternoon
- Taught by qualified English teachers
- Student ratios of 17 students per class
- We teach all levels, from beginner to advanced
- All courses include learning resources, materials appropriate to students age and level, and an end of course report and course certificate.

# < A GOOD NIGHT'S SLEEP

With so much to do during the daytime it is important that all of our students get a good night's sleep. Embassy Summer offers a wide range of residential options all of which are risk assessed to ensure the ultimate safety for our students.

The majority of our centres are residential, offering students the opportunity to experience life on a college campus or in a boarding school environment. For our younger students we recommend our boarding schools, these offer more shared room options and a more nurturing environment. For our teenagers the choice is much wider. Many of our centres offer single rooms with their own ensuite facilities, in Malta we also use hotel accommodation with up to 4 students sharing a room. Outside of their bedroom students can also relax in the shared common rooms available on campus.

We offer host family options in some of our centres (please see our centre pages for more details on where family stay is available). Our families are all checked and inspected regularly and in the UK we work with a dedicated and accredited host family provider. Most of our families have hosted our students for many years.

We have guardians for our individual students, house parents in our boarding houses and residential staff in all of our locations, as well as night managers to ensure everyone is safe and well throughout the night!

All of our accommodation is cleaned regularly and we provide linen in all centres. Towels are provided in some locations but in general we recommend that students bring their own towel.

All of our centres offer full board accommodation and we make sure that our students have the right nutritional balance. We provide suitable meals to help them stay healthy, focused and energised. All our programmes include a variety of hot and cold meal items, and we can cater for most dietary requirements.

# < OUT & ABOUT

A large part of a summer school experience is exploring the local towns, larger cities and famous attractions with new friends!

Two thirds of the student experience is actually spent out and about, away from the classroom and therefore Embassy Summer has spent many years tailoring its programmes in each location to maximise the whole student adventure. We recognise that the excursions and activities are as important as the English language classes.

All of our programmes include a variety of full day and half day excursions, and students also have the opportunity to take part in additional trips (known as optional excursions) if they want to explore the locality further.

For full details on the excursions available from each of our centres please visit the specific centre page.

When not out on excursions, we also offer our students a wide range of activities to enjoy. These activities vary differently from centre to centre and are very much dependent on the facilities available to us, but in general we always try to include a range of sporting and non-sporting events as well as larger, whole school, evening activities such as discos, beach barbeques and cultural quizzes.

Our activity programme is designed to ensure that students maximise their opportunities to mix and meet with other students from all over the world in a less formal setting than a classroom, that they continue to use their English (or French if in Montreal) language outside of the classroom and that, most importantly they remain healthy, happy and have a fun experience!

# < A WEEK IN THE LIFE

Explore a typical week for a student at the University of Sussex, Brighton.

## SUNDAY

### MORNING

Students arrive to our Brighton centre at the University of Sussex, they get to their rooms, unpack and get ready for an unforgettable experience!

### AFTERNOON

### EVENING

Staff organise welcome games or treasure hunts so students can get to know each other and the centre.

## MONDAY

### MORNING

Student induction held by the centre manager and after that it's time for some testing.

### AFTERNOON

Get orientated with the campus and the local community. The University is big so it's good for students to know their way around, where to find the shop, the canteen and the cafés.

### EVENING

It's disco time! All students in the centre get together for an evening of fun.

## THURSDAY

### MORNING

Lessons - by this time students usually start to become a bit more confident and the teacher might arrange a debate.

### AFTERNOON

First visit to the city centre where students get to explore the famous pier and the Sea Life Centre.

### EVENING

Murder Mystery - A fun activity where our students need to work together to solve a case.

## FRIDAY

### MORNING

Lessons - teachers might ask students to do a quick presentation about the place they'll be visiting on the weekend.

### AFTERNOON

Students can choose between playing volleyball or doing a dance workshop.

### EVENING

Tonight is the night for a talent show. This is a very popular activity that gets students into that Friday feeling!

## TUESDAY

### MORNING

First real lesson, students are divided into their classes based on their age, level of English and nationality (to ensure a great nationality mix).

### AFTERNOON

It's time to leave the centre and explore. A trip to Arundel Castle or Brighton is on the agenda.

### EVENING

We arrange on-site activities such as 'the Great Egg Drop' and a fun photo scavenger hunt.

## WEDNESDAY

### MORNING

By lesson two, students are getting more familiar with their learning materials.

### AFTERNOON

It's time for some sports; mini Olympics and a football tournament is on the schedule.

### EVENING

Who doesn't love karaoke? It's our students' time to shine!

## SATURDAY

### MORNING

Wake up, have breakfast and get ready for London. Students explore Westminster and the National Gallery.

### AFTERNOON

### EVENING

Students are usually tired after a long day out and about, and what could be better than a film night?

## SUNDAY

### MORNING

Students can choose to stay at the centre to take part in organised activities and chill-out, or they can choose to come on our optional trip to Thorpe Park.

### AFTERNOON

### EVENING

New groups of students have just arrived to the centre and everyone gets together for welcome activities and games.

# < OTHER OPTIONS WITH EC YOUNG LEARNERS

EC Young Learners offers much more to its students than fantastic summer school experiences, whether online or face-to-face, there is something for everyone, with programmes available all year round!

## Wide range of options

We have a wide range of options for both individuals and groups and are always open to specific requests and tailor-made options. These options can be either face to face, online or a hybrid of both. Please read on for more information on how we can extend the summer school experience and support language learning all year round.

## EC STUDY TOURS

EC VIRTUAL YOUNG LEARNERS

EC ACADEMY

# < EC STUDY TOURS

Study Tours are the perfect option for teachers organising educational school trips or any other groups of students travelling with a leader or guardian at any time throughout the year.

In addition to our award-winning summer camps we also offer closed group programmes outside of the high season in the UK, Malta and North America. These closed group programmes are typically tailored to the specific needs of the group and are the perfect opportunity for school groups to extend and enhance their in classroom learning to something more experiential!

For students who simply cannot get enough of summer camp, did you know that we also offer face to face 'camp' experiences in Autumn (October), Winter (January) and Spring (April), These low season camps are available to both groups and individuals and offer a similar programme to our summer school experiences.

TOURS**

## Spring Camp

This spring we are offering two exciting programmes to students age 11-17 in the UK and Malta.

These programmes are open to both individuals and groups and there are both residential and family stay options available.

For more information on all of our low season programmes please visit our study tours website at [www.ecenglish.com/en/study-tours](http://www.ecenglish.com/en/study-tours)

Bring the classroom into your home with our online English courses

Our young learners can now benefit from our award-winning English language teaching without having to travel.

EC Virtual Young Learners brings language learning to the comfort of your home using the innovative National Geographic Learning curriculum.

Students learn from qualified and friendly English teachers. Our EC teaching standards provide clear guidance on delivering the most productive learning experience for your teens.

Lessons are held on the secure Microsoft Teams platform, which is designed for collaboration, thus making interacting with teachers and international classmates simple and effective.

# < EC ACADEMY

EC Academy is an exclusive English Language school experience, set in some of the most historic and beautiful areas of the world. Our two academies, UCLA and Wellington College, are prestigious and well-renowned schools steeped in history and traditions.

EC Academy offers students the opportunity to develop their English language, academic and sporting skills. Our balanced programme of academic study and specialist courses enables students to grow in confidence in a range of areas. Academy students participate in small English classes and lessons are taught by our friendly and experienced teachers. Outside the classroom students have the opportunity to choose from a range of specialised courses.

## WHY CHOOSE EC ACADEMY:

- Small English class sizes ensuring **personal attention**
- English language tuition from **experienced English teachers**
- **Professionally taught** specialist courses
- The opportunity to study on the campus of a **world famous educational institution**
- **A safe and secure environment** with a staff to student on-site ratio of 1:5
- An **extensive all-inclusive package** of excursions and on-site activities

*“Students set out on a journey of self-discovery and leave as confident new members of an international community of peers. They go back home with increased sense of achievement and independence after successfully navigating life abroad and are ready to put all they have learnt into practice”*
