SCHOOL OF ENGLISH

*Committed to excellence in English language instruction,
we strive to exceed our students' expectations.*

Studying abroad is better than studying at home!

Research shows that studying language abroad is better than studying in your own country!

- **Oral fluency**
- **Better accents**
- **Better local conversation skills**
- **Faster speaking**
- **More confident conversations**
- **Longer streams of continuous speech**

Smaller classes means more personalised attention!

When a student leaves Alpha School, it is clear their English confidence level has increased. We've had students that arrived struggling to say more than "hello" and they leave being able to hold basic conversations! Our long term students benefit the most. Many have studied English for years but lack the confidence and fluency to hold a conversation in English. The longer you study at Alpha School the better your English will become!

Nationality mix

Alpha School has welcomed more than 45 different nationalities over the years. Malta is becoming more and more recognised as being culturally diverse and our school reflects that very wide range of student nationalities.

*Actual nationality stats since 2018:
Italian (33%), Polish (20%)
German (11%), French (11%)
Russian (9%) & 43 other
nationalities (16%)*

EFL information for Malta

Malta is an EU country, with English as an official language and welcomes over 85,000 English language students each year.

High season is from Easter to August where accommodation and course prices are highest. Outside this summer season, the weather remains fantastic yet prices and demand fall dramatically meaning better value for money and smaller class sizes for better student attention.

Our unique features!

- **Family friendly** with class times aligned for all ages from 2 years upwards
- **Smaller classes** for better personal attention
- **Long stay** and business friendly with highly qualified native teachers.

Most popular courses

- **Teacher training courses**
- **Adult classes**
- **Junior/Teen/Families**

Quality Assurance

- ELT Council licensed (Malta Ministry of Education) Number 161
- Malta Tourism Authority (MTA) License Number 35-0026
 - FELTOM accredited
- LanguageCert approved exam test centre
- Bildungsurlaub recognised
 - CSN recognised
- Recognised by the European Commission offering courses to MEPs

We are one of the smallest school in Malta yet we still welcome around 1,000 students each year. Our small school makes it easy to offer personalised service and smaller class sizes making Alpha School truly a friendly and welcoming school.

We did it first!

- The first Language School to open in the north of Malta
- The first Language School in Malta to introduce a Sports & Adventure Programme
- The first Language School in Malta to implement a Family programme
- The first Language School in Malta to open a Playschool for pre-school age children
- One of the first language schools in Malta to develop English + Work Experience courses
- One of the first language schools in Malta to develop online learning programmes

We look forward to welcoming you to Malta!
