## Introduction

Choosing the right type of accommodation for your study holiday is as important as choosing the right course. Alpha School of English can offer you a wide range of accommodation options based on your budget and individual requirements.

### Self-catering apartments

There is no doubt that an apartment offers privacy, comfort and space in which to enjoy your time with your family or friends while preparing your own meals.

### Hotels

Choosing a hotel has its benefits as it gives you the advantage of having more time on your hands while you enjoy having your room cleaned and your breakfast and dinner lavishly prepared for you. Most hotels offer great facilities including swimming-pools, gyms and leisure areas.

### Homestay

The best way to gain an insight into our culture and traditions is to choose to stay with a local host family or opt to have home tuition where you will have home-cooked meals lovingly prepared by your host, experiencing the Maltese lifestyle first-hand. Homestays are ideal for teens. Many of our hosts have worked with us for several years and offer our students wonderful hospitality.

Whatever your choice, all our accommodation types are licenced by the Malta Tourism Authority and are regularly inspected by our Accommodation Manager. They come highly recommended by past students, so no matter what you choose, we are convinced that your stay will be up to your expectations.

### Travelling between your accommodation and the school and places of interest

Most accommodation is within a 5- to 10-minute walking distance from the school. Other accommodation can be up to 20 minutes away. Many students, on arriving in the area, enjoy the leisurely walk through the local neighbourhood or along the promenade, especially as we enjoy many months of great weather. If you do not fancy walking, then we can suggest bus routes.

Within the locality you are only ever a short walk to the nearest seaside or a bus stop, with routes that can transport you all over Malta and Gozo for sightseeing and other leisure activities.

# Home Tuition

Homestay tuition is a unique experience whereby students live with and take English lessons in their teacher's family home (which can be situated anywhere in Malta). Home Tuition Courses are available on a One-to-One or Two-to-One basis. Additional family members or friends or exchange students are also welcome to book a homestay basis only, without English lessons.

Our Home Tuition One-to-One Course consists of 20 or 30 private lessons per week, held at your teacher's host family home. The price of the course also includes a Single Room at the teacher's house on full board basis and return airport transfers. Additional Home Tuition One-to-One lessons may also be booked on request.

Students travelling together may also book a Home Tuition Two-to-One Course. This course provides 20 or 30 semi-private lessons per week, held in your teacher's home. The course price also includes double room accommodation, all meals and return airport transfers.

**Prices for Home Tuition available on request from the school.**
