# Sport Experience: Beach & Water Sports

24 June - 19 August

**RUN, SPLASH  
LAUGH!**

Cyprus' warm climate and clear blue waters inspired us to design a programme filled with beach and water sports, that allows campers to be active and enjoy sunshine. The training is organised under the watchful eye of qualified sports instructors.

The programme is a blend of sporting activities, English tuition and lectures on first aid and water sports safety as well as off-campus visits and excursions. The sports selection includes: kayaking, beach volleyball, racket ball, pedalos, snorkelling, swimming and SUP.

The teaching takes place at a modern English language school and the hotel accommodation is located a short drive from the school and within walking distance from the beach. A perfect summer camp at a perfect destination.

**SUMMER  
IS A STATE OF MIND**

15h per week of  
English tuition

Beach &  
water sports

Daily activities: dance,  
sports, arts & crafts,  
games and competitions

Local visits &  
excursions

Accommodation  
& board

Study
