The Dialoge team

General Program Information

The Summer School is located in the main Dialoge building (Dialoge - Bodensee Sprachschule GmbH, Bahnhof 1b, 88131 Lindau, Germany).

On the famous Island of Lindau in Lake Constance, our Summer School offers the ideal conditions to learn with fun, great recreational activities and unforgettable holidays with friends from all over the world.

Your German course

After a grading test on the first day, the young people are divided into their attainment levels and taught in small classes with a maximum 11 students. In the morning from Monday to Friday you will have lessons from 9.00 – 12.30 (20 lessons per week of 45 minutes each). The afternoon course (5 lessons per week of 45 minutes) takes place on Tuesdays and Thursdays from 13.30 – 15.25..

Your leisure program

Our Summer School Bodensee offers a daily recreational program. You will receive a detailed weekly schedule every Monday. Participation in the recreational program is obligatory and non-participation must be allowed in writing by the parents. The presence of all students is checked at each activity.

Food

You will have breakfast and dinner in your accommodation. Everyday at lunchtime (Monday – Friday) there will be a rich and fresh Lunch at school. Occasionally a barbecue is offered during evening activities. If something is not to your satisfaction or you have a special wish, you can always contact the Dialoge team.

Equipment

There will be plenty of variety in our Summer School. We therefore want you to be optimally prepared and bring along the following things:

- A dictionary
- International health insurance
- Clothes for every weather (even in summer the weather in Germany can be unpredictable)
- A comfortable pair of shoes (sturdy sneakers)
- A backpack for trips
- Swimwear
- Sun protection

Accommodation

You have decided to stay in our shared junior accommodation. The address is:

Hotel Gasthof Rössle
Zollstraße 1
88175 Scheidegg
Germany

Room

The junior accommodation has 2- and 3-bed rooms (girls and boys sleep separately). In your room there are comfortable beds, a desk with chairs, a wardrobe and also a private bathroom. Please always keep order in your room and show consideration to your roommates.

Food

A healthy and rich breakfast and a warm dinner with your supervisors are included in your package. Lunch is shared with the other students in the school. If you do not like something or you have a special request, you can always contact your supervisor.

Internet

At the junior accommodation you have wireless internet access so you can connect to your mobile phone. We recommend to leave other devices (laptop, tablet, etc.) at home.

Key

You get a key from the supervisors. That way you can always go to the accommodation and in your room. On your arrival you will have to pay a deposit of 50,00 € for the key, which you will get back on departure and on return of the keys.

Room change

Please change or exchange your room only in consultation with your supervisors. The students are placed in a way that as few as possible speak the same mother tongue - unless this was expressly desired.
